

DENTIST/DENTAL SPECIALIST LICENSURE METHODS AND REQUIREMENTS

Please review each licensure method and the associated requirements to determine which method you will select when registering to use the online application portal. Please note, a licensure method is required before entering application materials. Choosing the correct method will ensure your application is processed in a timely manner.

Please note, all applicants for licensure in Idaho whether by examination or by credentials must have received a degree of Doctor of Dental Surgery or Doctor of Dental Medicine from a dental school accredited by the Commission on Dental Accreditation (CODA).

DENTIST/DENTAL SPECIALIST APPLICATION LICENSURE BY EXAMINATION

Applicants for licensure by examination must have successfully completed a Board approved clinical examination within the five years immediately preceding the date of application.

REQUIREMENTS

- Current BLS Certification
- National Board Scores (Authorization for online access by State of Idaho from the Joint Commission on National Dental Examinations)
- Original or Notarized Copy of Clinical Examination Results*
Qualifying exam taken in 2016 and 2017: CITA, CDCA, CRDTS or WREB and must have included the periodontal section.
Qualifying exams taken 2018 and later must include these components: patient-based operative, patient-based periodontal, simulated endodontic, simulated prosthodontic, and a written competency exam. 2020-2021 exceptions due to pandemic: manikin based operative, and WREB's CTP in lieu of patient based periodontal exam.
